

WSDOT: SR 20, OLSON CREEK AND UNNAMED TRIBUTARY TO SKAGIT RIVER - FISH PASSAGE DESIGN-BUILD

# VIRTUAL DBE MEET & GREET EVENT

## LEARN ABOUT UPCOMING BID OPPORTUNITIES

Granite Construction Company (Granite) requests quotes from subcontractors and suppliers, including Disadvantaged Business Enterprises (DBE), listed and certified by the OMWBE Directory for the **SR 20, Olson Creek and Unnamed Tributary to Skagit River - Fish Passage Design-Build** in Skagit County. Subcontractors and suppliers can access conceptual plans and specifications via the WSDOT website at <https://wsdot.wa.gov>.

Granite will be hosting a **Virtual DBE Meet & Greet** event for DBE firms to review the project and understand how your firm can get involved.

To assist Certified Small Business/DBE Subcontractors and Suppliers, we are committed to providing firms with adequate information (including project plans, specifications, and requirements), identifying, and dividing work into feasible units of contract work, assisting firms by reviewing financial and resource challenges, and removing barriers to DBE participation to ensure equal opportunity. When applicable, Granite will pay for subcontractor performance and payment bonds.

We are an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, age, color, religion, sex, national origin, sexual orientation, gender identity, genetic information, disability status, protected veteran status, or any other characteristic protected by law.
