## MEET

‘Reverse’ trade show:  
State agencies staff  
booths and tech vendors  
can meet with them one-  
on-one focused on their  
specific needs.

## CONNECT

Network with  
industry partners,  
representatives and  
decision-makers.

## LEARN

How to do business  
with Washington state  
and about its enterprise  
IT future.

## How to participate

- **Staff a booth** if your agency has current/future initiatives or projects that you will need services, solutions or support.
- **Present to attendees** about your agency’s projects/initiatives or state services that you provide that would be relevant to IT vendors.
- **Volunteer to help** before and during the event.
- **Attend to learn more** about Washington state’s enterprise IT future.
