Contract location: Statewide

Contract description:

SCC seeks a contractor to complete an analysis and report to understand how riparian costs, return on investment to the public, and incentive rates interact with landowner participation in Puget Sound riparian restoration efforts.

Funding for this potential contract comes from Federal Environmental Protection Agency (EPA) funds via the Washington Department of Ecology. Federal funding rules and regulations will apply, including Federal debarment checks via SAM.

This project has been funded wholly or in part by the United States Environmental Protection Agency under assistance agreement #4R-02J49101-0 to Washington State Department of Ecology. The contents of this document do not necessarily reflect the views and policies of the Environmental Protection Agency, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.
